ENVELOPE PATTERN

To use this envelope pattern, trim off all the outer black area.

Place this pattern on the paper you want to use as an envelope, then trace around it.

Cut out the envelope.

Fold in the side arms first - #1 & #2.

Fold up on line #3, then down on line #4.

Open up the last two folds, leaving the side arms folded in.

Carefully glue along the top inner edges of the side arms, then bring up the bottom fold and press down to glue it.

Once dry, insert your card into the envelope.

Then fold down the top flap.

Either glue it down
or use a sticker to seal the envelope.
